

KIDS' CORNER

The Dog Days of Summer

Across

- Find a nice _____ spot so your dog can get out of the sun, relax, and cool down.
- You and your dog can have some wet backyard fun if you run around under this.
- If you go for a walk, bring lots of extra _____ for your thirsty buddy!

Down

- Exercise your dog during this part of the day, before the sun gets too hot.
- A trip to the groomer for a _____ can help a longhaired dog keep cool in hot weather.
- Use this snake-like backyard tool to give your dog a cooling spray.
- Never, ever, leave your dog in a parked _____. It can get dangerously hot!
- On hot summer days—and every day—be sure you always keep your dog's water dish _____.
